

At Home Devotion Guide

We encourage everyone to use this guide in your home this week and adapt it to your specific family situation. This can be done in one sitting or can be broken up and used throughout the week.

Sermon Reflection

Read passage from sermon: Philippians 1:1-11

For young children: As Christians we have a very special relationship with one-another. We are called to love and encourage other followers of Jesus.

For older children and adults: As Christians we are partners in the gospel with other Christians. We must know our identity as followers of Christ. We must give thanks for the other believers that God has placed in our lives. And, we must strive to faithfully love our brothers and sisters in Christ.

Pray: Pray for your church and try to think of some specific individuals to pray for in your congregation.

How to use this Guide

At Bethany we recognize that worship is not just something that happens on Sunday morning. Though corporate worship is important, it is also important that we are striving to worship God in our homes on a regular basis. According to Donald Whitney, "God deserves to be worshiped daily in our homes by our families." This guide will help you to lead worship in your home.

Scripture- Begin by reading the passage from the sermon. Based on the ages of those involved, briefly discuss the meaning of the passage and how it applies to your lives.

Catechism- This is a great way to learn what the whole Bible teaches about a particular topic. Read the question, then read the answer. If possible, try to put the answer in your own words.

Prayer- Pray that God would help you obey and understand the truth that you just discussed.

Sing- If someone is able to lead in song, then take some time to sing to the Lord. The guide will provide a suggested hymn from *The Baptist Hymnal, 2008.*

Feel free to adapt this guide to your particular household situation. This is not meant to be a heavy burden. It is an aid in helping members of your household to grow in Christ.

Families with young children- Don't feel like your devotions have to be long and tedious. Start with short amounts of time, then get longer as the children get older.

Families with older children- Also, don't feel like your devotions have to be long and tedious. Avoid 'preaching' to your family. Instead, let the word of God speak for itself.

Couples without children- This guide is for you as well! Household devotions will help you go deeper in your study of God's word and grow together in Christ.
